Clarifying the Call 2025 IFAB Law Changes Key Points for Youth Games

Please note the two important IFAB law updates below, and how we'll apply them in youth matches this season:

8-Second Rule (Goalkeeper in Possession)

- 14U & older: Enforce strictly. If the keeper clearly holds the ball longer than 8 seconds, the restart is a corner kick for the opposing team. For consistency, referees should visually count down with their hand above their head for the final 5 seconds.
- 11U–13U: Only call *obvious* time-wasting.
- 10U & below: Do not enforce.

Captain-Only Communication (17U+)

- Applies to 17U and older only.
- Referees may initiate discussion with any player as needed.
- If players wish to initiate discussion with the referee, only the team captain wearing a captain's armband may do so. Armbands are optional to wear at the youth level, but then no players are allowed to approach the referee.
- This helps manage dissent and ensures clear communication channels.
