

MKSC Union is a club-wide program of the Milwaukee Kickers Soccer Club for both Boys and Girls. There are three groups that make up the MKSC Union. MKSC Youth Academy offers year-round programming for U8 - U10 players. A U11-U14 year-round Select program and a seasonal program for U15 - U19 high school players.

Led by a team of talented and experienced top-level coaches who specialize in individual player and team development, MKSC Union provides both a competitive playing experience and educational instruction in the technical, tactical, physical, and psychological components of the game necessary for long-term success.

Housed at Uihlein Soccer Park, MKSC Union players have access to a year-round, state-of-the-art training facility that includes practice fields, indoor training on three indoor fields, scheduled training, and game opportunities on the park's two artificial turf stadiums and learning center for game film review.
