

2019-2020 MKSC Academy South U8 – U10 Program Information

MKSC Academy South will again be offering a Youth Academy program in 2019-2020. This program will be for age groups U8-U10 (birth years 2012 – 2010). Players cannot tryout at this age, so they can choose to register for these teams starting May 1, and running through July. Roster spaces are limited, so it will be first come first serve. Interested families should contact Zach Soderberg at Zachs@mksc.org for registration information.

The purposes of our Youth Academy are to:

- Provide soccer players an opportunity to train with our **professional, experienced, paid coaches**
- Provide soccer players who have aspirations of becoming a more accomplished player an avenue to test and enhance their skills at a higher level than recreational soccer
- Provide soccer players an opportunity to investigate the level of play with which they are comfortable
