

COVID-19 UPDATE

March 13, 2020

Uihlein Soccer Park Patrons and Milwaukee Kickers Soccer Club Families,

Based on Governor Evers' recent statewide mandate closing K-12 schools by Wednesday, and because the health and safety of our staff, players, coaches and volunteers is our principal concern, we have made the decision to close Uihlein Soccer Park and cancel all Milwaukee Kickers Soccer Club activities effective tomorrow, Saturday, March 14.

Uihlein Soccer Park plans to reopen Monday, March 30 (with the possibility of an extension, if necessary). All MKSC activities are cancelled until at least April 6. We will be continually evaluating this evolving situation to determine appropriate next steps.

We are sympathetic to the inconvenience this may cause our families and league players. Please know that we did not come to this decision lightly. After consulting various public and private health partners, in addition to state and national youth sports and community associations, we believe temporarily closing and suspending all activities is the safest and smartest choice for everyone involved.

We will be reaching out to teams to determine the best course of action in rectifying any events that were missed, if possible. In the meantime, if you have a specific question, please reach out to a member of our staff via email and we will respond as soon as possible.

We appreciate your patience and understanding as we navigate this difficult situation. Please check your email and our social media pages and website (www.mksc.org) for updates on our response to this ever-evolving public health emergency. We will send an update as soon as we have one.

If you would like more information on COVID-19, please visit the following reputable sources:
